Subject: 1983 CFFP Campaign Guide and Order Form

To: Regional Foresters; Station Directors; Area Directors; State Foresters; Bureau Chiefs,
Department of the Interior; and Executive Director, Canadian Forestry Association

CONSOLIDATED ORDERS DUE IN WASHINGTON, DC, OCTOBER 1

Use this campaign guide and order form to order all your 1983 Cooperative Forest Fire Prevention (CFFP) materials. We are again extending the option of mailing the materials directly to the National Forests or to the Region or Area Office.

STATES should send their orders to the appropriate Region or Area Office for transmittal to Washington.

The following procedures should be used in completing your orders. The freight addresses and quantities should be typed on form AD-156. Each item and quantity must be listed on a separate page. The sheets submitted to the Washington Office will be used in ordering the material from the printers and vendors. Therefore, it is important that the total quantities be shown in standard pack increments. Regions and Areas should include their orders and State orders on the AD-156 along with the National Forests.

The items identified by an asterisk (*) will be obtained through the competitive procurement process and contracts awarded. If we have difficulty in procuring any of these items, you will be notified. Credit lines will not be available.

Prices quoted are our best estimate of break-even costs and include prepaid delivery charges. Materials ordered will be obligated against FY 1983 funds. The WO will request transfer of the full amount obligated early in FY 1983.

Please contact Don Hansen or Susan Yourko, (703) 235-8160, if you have questions relating to your 1983 order.

SMOKEY THE BEAR
By STEVE NELSON and JACK ROLLINS

1. With a Ranger's hat and shovel and a pair of dungarees you will
 2. You can take a tip from Smokey that there's nothin' like a tree, cause they're
 3. You can camp upon his shoulders and he'll make you feel at home, you can
 4. If you've ever seen the forest when a fire is running wild, and you

find him in the forest always sniffin' at the breeze. People
 good for kids to climb on and they're beauti-ful to see, you just
 run and hunt and ramble any-where you care to roam. He will
 love the things with in it like a moth-er loves her child, then you

stop and pay at-ten-tion when he tells 'em to be-ware, 'cause
 have to look a-round you and you'll find it's not a joke, so
 let you take his han-dy and pre-tend he's not so smart, but
 know why Smokey tells you when he sees you pass-ing through, "Re-

ev'-ry-bod-y knows that he's the Fire Pre-ventin' Bear,
 see what you'd be mis-sin' if they all went up in smoke.
 don't you harm his trees for he's a Ran-ger in his heart,
 member... please be care-ful... it's the least that you can do."

Smokey - the Bear, Smokey - the Bear. Prowlin' and a growlin' and a
 sniffin' - the air. He can find a fire - before it starts to flame. That's
 why they call him Smokey, that was how he got his name.

SMOKEY BEAR HEADQUARTERS

WASHINGTON, D.C. 20252

Dear Friend:

For over 36 years, people like you have worked very hard to help me prevent forest fires. We have done well together, but we can do even more in 1983.

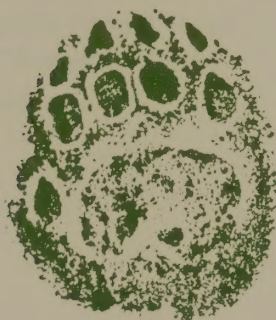

This guide describes the material prepared for my 1983 campaign. Some of the items have been around for many years, others are new!

With the cost of printing rising, it may be tough to finance the materials we need to cover all the opportunities we have to support forest fire prevention. Please think about your own opportunities and problems and order the items that will best meet your needs.

Not included in this campaign guide are the "mass media" materials for radio, television, newspapers, outdoor and transit advertising, and magazines. These are distributed direct to the media by The Advertising Council. The media donates their time and space to forest fire prevention. Last year their donations were worth more than \$48 million. Local contacts were important in making that figure so impressive.

The key people in my campaign are people like you who want to help. REMEMBER . . . ONLY YOU CAN PREVENT FOREST FIRES!

Your Friend,

S M O K E Y
